4. Revise the mother's point of view about • topics of the class.

• Activity section of the class.

• Attitude of their daughters before

coming to the class i.e 2 months ago and today.

And their suggestions regarding the future of the class. i.e. monthly or weekly.

• Requirements: Volunteers:

• Two sisters to be responsible for games

• One sister to arrange the potluck.

• One sister to collect the monthly payment, 10 Dollars/ month.

• Sister Fedda is an assistant.

• Suggestions:

• Whether or not, mothers have to attend?
